

**Recall Notice**

**Date:**

July 8, 2010

**Product:**

Norseman Wall Tents by Yanes Canada Ltd.

**Full Product Description:**

This recall involves Norseman Wall Tents imported by Yanes Canada Ltd. The tents come in a white cloth carrying case. The word "Norseman" and the dimensions are printed on the cloth carrying case. A photo of the item is shown below.

These tents can be identified by this label sewn at the outer peak of the wall tent:

**Product Details:**

The tents are available in the following dimensions:

Product Name	Product Code	UPC
Norseman 10x12x5x8.5 Deluxe Wall Tent	YAN10x12DLX	061547101254
Norseman 12x14x5x8.5 Deluxe Wall Tent	YAN12x14DLX	061547121455
Norseman 14x16x5x9.5 Deluxe Wall Tent	YAN14x16DLX	061547141656

**Hazard Identified:**

Health Canada's auditing process revealed that the materials used in these tents do not meet the requirements for tent flammability under Canadian law. The tents could easily catch fire if exposed to a flame or other ignition source such as a campfire spark, and cause severe burns to consumers.

Health Canada has not received reports of incidents or injuries to Canadians related to the use of these tents. For more information about tent related hazards, visit Health Canada: [Tents \(http://www.hc-sc.gc.ca/cps-spc/sport/tent/index-eng.php\)](http://www.hc-sc.gc.ca/cps-spc/sport/tent/index-eng.php).

**Corrective Action:**

Consumers should immediately stop using the affected wall tents and return the affected tents to Campers Village for a replacement unit.

Replacement units are expected to be available by Mid-Fall 2010.

Customers may contact Campers Village at 1-800-661-3847 or visit the Campers Village Website at [www.campers-village.com](http://www.campers-village.com) for more information.

Wholesale customers may contact Norseman Inc. at 1-800-268-1918 or visit the Norseman Website at [www.norseman.ca](http://www.norseman.ca) for more information.
